Nextabroad.com

ABOUT NexAbroad

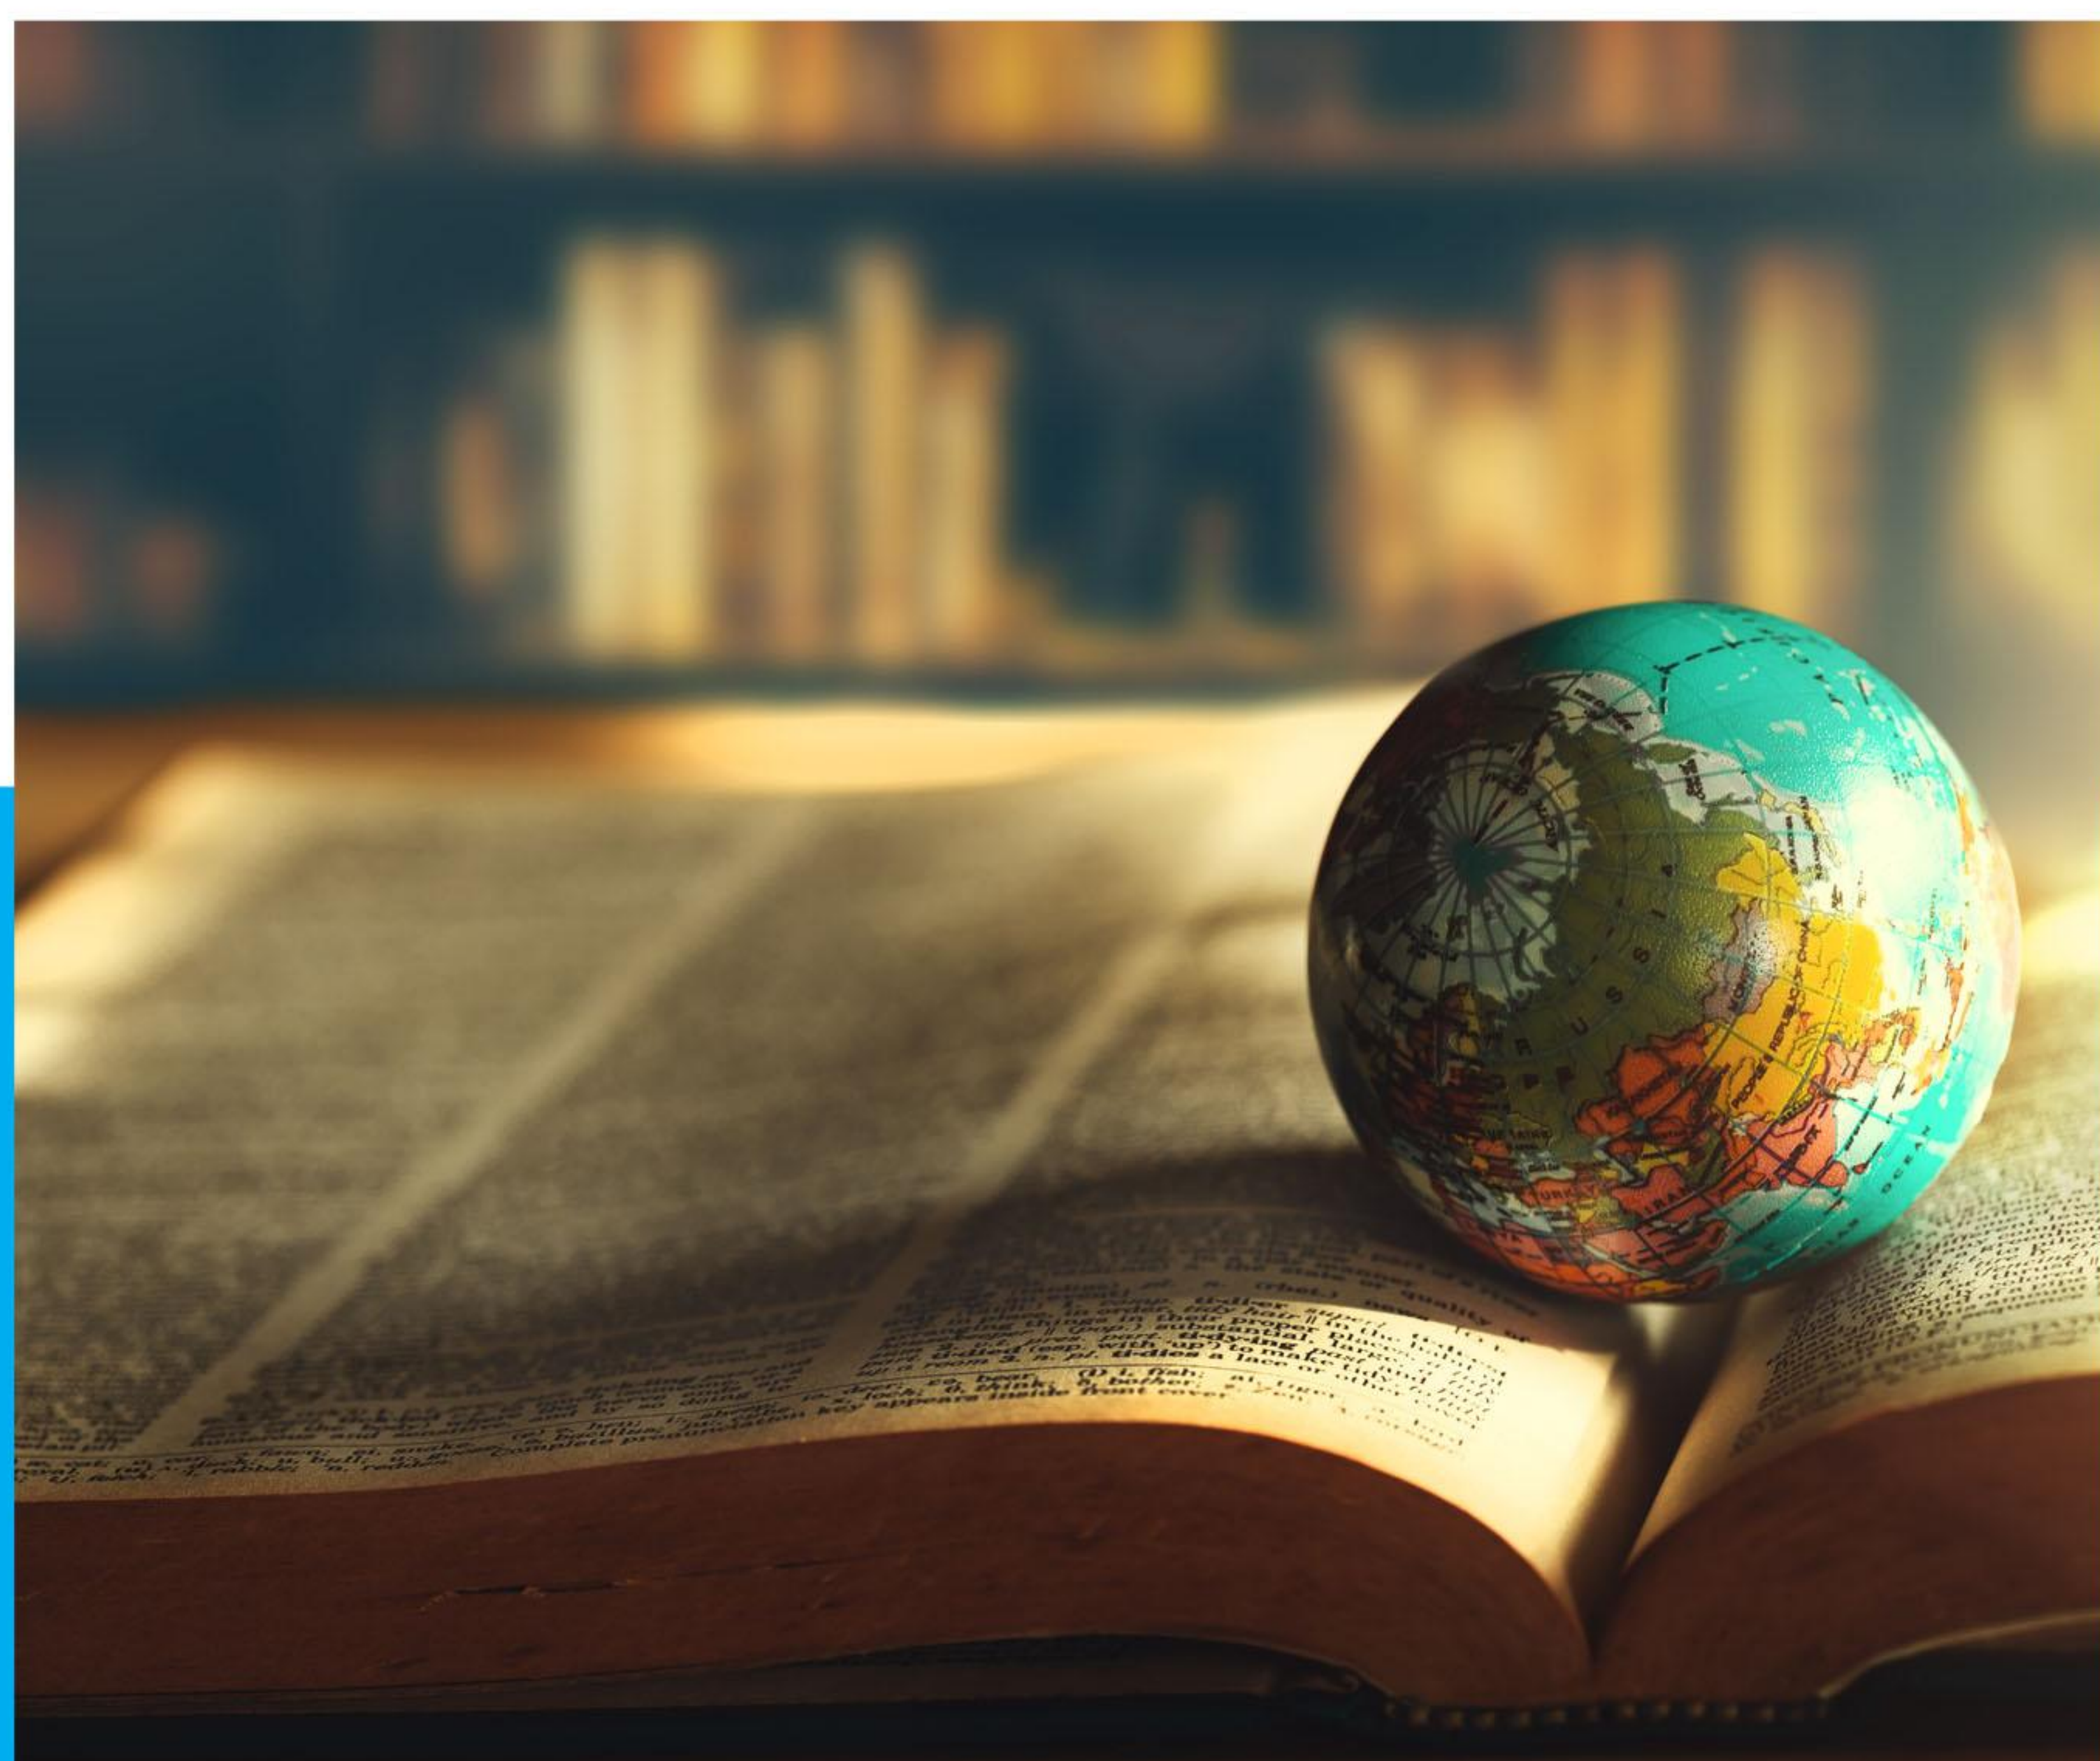

This organization involves a group of migration experts and well-educated Ph.D. graduates who have been dealing with affairs related to migration and scholarship for years. Having years of brilliant experiences, along with an exceptional commitment to customer services, made this organization an efficient one in regards to migration affairs and education consultancy across the country.

What We Do

Our experts in Next Abroad can guide you in the right direction and help you out with the whole study abroad process. We assure you that our organization is in touch with a massive number of migration experts in numerous countries and can ultimately connect you with your desired university. Therefore, remaining in touch with us will enable you to achieve accurate and elaborate information on your favourite subjects.

The highlight of our organization is that we co-operate with experienced and distinguished experts in the educational consulting field nearly throughout the World.

It's about learning...

When you study abroad every step is a learning experience. Johan Asplund

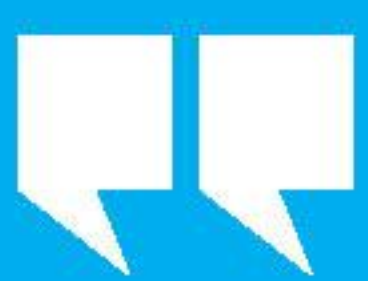

The “Negin Saraye Kohan” institution is entirely ready to provide you with all stages of moving and studying abroad from top to bottom.

HOW WE WORK

Next Abroad organization is entirely set to provide online and round the clock consulting services for you concerning university acceptance, Visa, acceptance date, selecting the most proper country, legal and migration consultancy.

It's about pushing your limits...

“Do not follow where the path may lead. Go instead where there is no path and leave a trail.” — Ralph Waldo Emerson

OUR SERVICE

Next Abroad aims to provide you with complete, helpful and concise information about how to apply for scholarships and also support you by carrying out all related stages. If you need further information, get in touch with our counsellors via the given phone numbers or Email addresses.

Managing the Entire Applying Process

Our organization is honoured to guide you through the entire applying steps and provide helpful guidance and advice for our customers. Deciding to relocate abroad, is the initial step you must take, and indeed along the way you may encounter numerous issues and obstacles. These issues may even lead to more significant confusions unless you become well-informed about these issues and how to tackle them properly.

Free Consultancy

Next Abroad organization is entirely set to provide online and round the clock consulting services for you concerning university acceptance, Visa, acceptance date, selecting the most proper country, legal and migration consultancy. In case you tend to find out how beneficial and informative our free consulting services are, all you need is to contact our experts via email or phone. Consequently, you will be able to receive golden advice and assists for free and with just spending a few minutes.

We are here to recommend the most suitable choice for you, considering your overall circumstances. The vast majority of individuals willing to head overseas or pursue their studies in foreign countries tend to inquire about academic calendar, total investment amount, acceptance conditions, individual and family circumstances as well as passport circumstances.

“Study abroad is the single most effective way of changing the way we view the world.” – Chantal Mitchell

Student Visa

Our experts in “Next Abroad” are experienced in transferring students abroad and also completely aware of visa application conditions in foreign countries. Hence, they can help you with the whole process and, eventually, point you in the right direction.

Student Scholarship

The specialists in “Next Abroad” can also be a tremendous help to you during this stage. Having accurate guidance can assist you in gaining student scholarships. Bear in mind that possessing a high level and reliable certification will raise your chance of achieving a scholarship.

Obtaining Admission

Our experts try to take into consideration very significant issues and steps while applying for admission to universities, such as the type of university, their tuition fees, registration time, as well as the university's accommodation conditions, including university residence and other relevant issues.

Corresponding with Professors and Universities

Corresponding with universities and teachers is not merely about demonstrating your capabilities or presenting your resume. By studying your email, teachers can assess the level of your interest, your purposes, abilities, as well as your determination and seriousness. Consequently, you need to know that getting in contact with universities and teachers is an essential stage in the way of your success.
